

## Bring the Gospel to Kids

Serving 150 community kids through a week-long summer program is no small task. In fact, it takes the whole church to pull it off. SUMMER LAUNCH is a fantastic way to engage kids with the Gospel, while making friendships with others who serve.

# Are You Willing to Make an Impact?

### VOLUNTEER

We need over 50 volunteers to make this outreach happen, folks willing to give their time between 8:30 a.m. and 12:30 pm. Monday through Thursday, June 21-24. We need camp counselors, actors, decorators, craft assistants, snack preparers, a registration team, photographers, game leaders, and cleaners. Jobs for introverts and extroverts alike!

### FUND

This event requires plenty of supplies that cost: snacks, decorations, craft supplies and staff T-shirts, to name just a few. Moreover, we would like to send each family home with a CD of our songs, so they can continue getting the Gospel through music all summer. Donate for these needs!

\*\*The Summer Program is designed to continue ministering to local kids through the summer. It will be at church two days a week. Committing to Summer Launch does *not* obligate you to be a part of the Summer Program. Hopefully some volunteers would like to serve 2 hours on either Monday or Tuesday to continue building a relationship with Summer Launch kids and their families.
