Dear Church Family,

I am so excited to introduce you to **Pastor** Joe Keris! As many of you know, Joe joined our staff about two years ago as Worship and High School Director. Though we all sensed a pastoral call on his life at the beginning, we asked him to step into a season of training and examination to determine whether this was God's call for him here at Shelton First Baptist. After two years of examining his character, giftings, and passion for God, we are thrilled to call him a Pastor of this church. Along with many other responsibilities, he will continue to lead our worship and high school ministry.

Take some time this week to pray for Joe and Lauren. Also, if you get a chance, I'd love for you to personally welcome Joe to Shelton FBC as Pastor Joe. Pastor Joe's new email address is now [pastorjoe@sheltonfbc.org](mailto:pastorjoe@sheltonfbc.org)

Grace,  
Pastor Jake
