Dear Church Family,

Our Sparrow Care team wanted to send out a huge **thank you** to the generous response to our freezer meal ministry! We met our goal of having the supplies to cook our planned meals and exceeded that with all the financial donations! This will enable us to continue to deliver meals to the foster/adopt/kinship families for quite a few months. We had a fabulous crew that helped cook last Thursday and we assembled 34 meals. **We now have a very full freezer!**

Thank you for helping us to communicate to the foster families that their hard work and sacrifice is seen and appreciated.

**Sparrow Care Team,**  
Arienne, Joy, Cindy, and Amy

P.S. We are looking for another upright freezer so if anyone knows of one in good working condition that is being given away or sold for a good price, let us know! **Contact Amy at (360) 790-8139**

**Haiti Update and Opportunity to Give - Earthquake Relief**

The soup kitchen is still going strong. We've provided up to **1,500 meals each day and 300 tarps**. We're hoping to get another tarp delivery as well. The community is so grateful, and it is apparent that the relief efforts have blessed so many including those helping cook and distribute the food. Thank you all so much for your support!
